

2008-09 Mountain Lion Management Zones

Zone 1: Opens: August 29 - Closes: March 31, 2009

Open Area: Zone 1 is bordered by Montana, South Dakota, and state and federal highways. The point where the boundary crosses Lake Sakakawea is a straight line from where ND Highway 1804 lies directly across from ND Highway 8..

General Information: Once a quota of 8 lions is reached, the season will close immediately. The Department will inform the public of this closure through the media. The quota will not include lions taken by USDA Wild-life Services, the Department, private landowners in defense of livestock, for human safety issues, road killed animals, animals taken by traps or cable devices, and those taken on Indian lands.

Zone 2: Opens: August 29 - Closes: March 31, 2009

Open Area: The remainder of the state not described as Zone 1.

General Information: No quota. The season will remain open through March 31, 2008.
